Free and Easy Wanderer is the classic formula to help support the Liver in Traditional Chinese Medicine. It helps to course the Liver, reducing irascibility, and smoothing the flow of Qi and Blood in the body. That translates to improving irritability and anxiety, as well as detoxification and support of the digestive process.

- [Free and Easy Wanderer 2 oz](#)

When the liver is not functioning properly, adding Glutathione helps the liver clear away the backlog of detoxification the liver has been struggling to keep up with.

- [Liposomal Glutathione](#)
